With the help of FIBS services, you stay up to date, deepen your skills and expand your networks

<h2>FIBS Impact</h2>	<h2>FIBS Forum</h2>	<h2>FIBS Webinar</h2>
<p>In FIBS Impact events you have a chance to discuss delimited responsibility topics with the experts in the field and to exchange ideas, perspectives and experiences about the new ways of doing more impactful business. The aim of the events is to accelerate sustainable business among FIBS members and at the same time in society at large - by working together.</p>	<p>FIBS Forum events gather together a wide range of corporate responsibility experts, policymakers and influencers from corporations and other organisations. FIBS Forums are also streamed and recorded for later viewing.</p>	<p>FIBS webinars provide up-to-date information on hot corporate responsibility topics as well as practical tips to support the development of your responsible business.</p>
<h2>FIBS Practice</h2> 	<h2>FIBS Leader</h2> 	<h2>FIBS Peers</h2> 
<p>In thematic small group trainings, which meet 1-4 times a year, solutions to corporate responsibility issues are sought together through case examples and practical exercises facilitated by experts in the field. At the events, experiences are shared confidentially. The small groups of FIBS Pro members provide the best peer support on responsibility issues.</p>	<p>A discussion forum for top management (executive team and board of directors) addresses the opportunities of corporate responsibility and ways to integrate responsibility into corporate strategy and processes.</p>	<p>FIBS Pro is also a unique peer and sparring network: you will find Finland's best benchmark cases and be able to develop your own business with the forerunners of corporate responsibility.</p>
<h2>FIBS Insight</h2>	<h2>FIBS logo</h2>	<h2>FIBS Pro badge</h2> 
<p>FIBS's news and information service includes surveys, tools, publications, analyses, summaries, event presentations and newsletters, which you can use, for example, to in strategic planning and the development of corporate responsibility.</p>	<p>All FIBS members can use the FIBS logo as a sign of membership and their willingness to invest in responsible and sustainable business.</p>	<p>Those who have chosen the FIBS Pro service can use the FIBS Pro badge to communicate that they are among the active developers of corporate responsibility.</p>

FIBS membership is a significant resource for internal training, an employee benefit and opportunity to boost your recruitment marketing

A cost-effective way to train personnel and increase job satisfaction.

- FIBS membership is a significant employee benefit: The dozens of events and other membership benefits included in the FIBS Pro and FIBS Basic service packages are available to every employee in the member organization. You can offer your entire personnel the opportunity to increase their expertise and at the same time strengthen job satisfaction and employee commitment.
- The top management as well as the personnel of different business functions benefit from our services, regardless of their job description.

A unique opportunity to build your brand and stand out as an employer.

- More and more job seekers expect commitment and practical actions from employers in terms of responsibility. FIBS membership is one way to communicate your goals to invest in sustainable business: all FIBS members have the right to use the FIBS logo.
- Make use of your membership in recruitment marketing as well: highlight training opportunities at FIBS events in your job advertisements, along with your other employee benefits.

Events from trainings to webinars

In 2024, we help our members through our events to

- ✓ achieve net zero **greenhouse gas emissions**
- ✓ promote the restoration of **biodiversity**
- ✓ respect the Guiding Principles on Business and **Human Rights**
- ✓ support **inclusion, equality, diversity**
- ✓ **publish relevant financial information** related to climate and sustainable development
- ✓ consider **ESG risks**
- ✓ develop **sustainable business models** and **promote systemic change**

Events that benefit all business functions

- **Our new event themes for 2024** include e.g. training for top management on conflict preparedness. Sustainability reporting and CSRD data are still heavily featured in trainings, webinars, and the popular sustainability reporting event organized in September. Different types and scopes of events are also planned on the themes of climate, nature, human rights and innovative business.
- **Our programme also includes favorites from previous years**, such as the Diversity breakfast events and FIBS' light mentoring program.
